

## *Economy got you and your practice down?*

## **PracticeBooster® will get you back up again!**

Dr. Jonathan Bregman, Certified PracticeBooster® Analyst

Don't know where to start to get your practice back on track and growing again?  
Can't seem to find a simple, dentist-friendly way to get the help you need?  
Want minimal investment of time and money for the maximum result?

### ***Look no further ...***

PracticeBooster® is the answer to boost your practice from the inside while improving patient care.

### ***What do I need to do to get started?***

Just three quick and easy steps to create a 'snap shot' of your practice. Simply provide:

- your fee schedule
- numbers of procedures performed on a standard printout from your dental management software
- answers to a few questions

### ***What happens next?***

- Within one week: your 1½ hour phone consultation along with a printed, comprehensive report and you will be on your way!
- At three months: a follow-up phone consultation to review your progress

### ***Need help creating an effective overall plan for positive change?***

Do you, as the leader, have a clear sense of the top three areas of concern that are jointly shared by you and the entire team? Not sure? Want to find out?

### ***Can I expect an immediate return on my financial and time investment?***

Yes! You will be able to immediately implement changes in your practice that convert into dollars through a much greater understanding of your practice. Opportunities for an immediate return on investment start from the very first day.

### ***Immediate ROI examples***

- Billing and coding errors leading to many "dollars left on the table"
- Hygiene department effectiveness in following treatment protocols and stimulating additional patient treatment
- New patient treatment effectiveness
- Procedure analysis that aids future practice focus
